Twenty/20 Grill & Wine Bar

Twenty/20 Wine Bar serves 30 wines by the glass and offers more than 100 selections by the bottle. We have your favorite grapes from new world sites— California, Oregon, Washington, Australia, New Zealand, South Africa, and Argentina as well as old world wines from France, Spain, and Italy. We feel that selecting a glass or bottle of wine should be something that is an easy, unpretentious part of dining with us. In order for that to be the case, our philosophy is to make sure that every bottle on the list is simply great. Whether it be varietal, region, or price...do not hesitate to try, we know you will enjoy it. We are always updating and adding new wines to our list to keep in step with the ever developing wine experience and our guest's preferences. We blend big name producers with smaller wineries with limited allocations to give you the best rounded wine list in North San Diego County.
